Social Welfare

B.Tech – Computer Science & Engineering

Krrish Gupta

ABOUT THE STUDENT

Candidate Profile

Roll Number
25SCS1003003961

Institute
IILM University, Greater Noida, UP

Programme
B.Tech CSE, Batch 2025–2029

Internship Domain
Social Welfare

Duration
4 week | june

ABOUT THE PROGRAM

Hanumat Kripa Foundation

Hanumat Kripa Foundation provided me with an opportunity to gain practical exposure to social welfare and community-oriented activities.

During the internship, I learned about the importance of social responsibility, community support, awareness, teamwork and communication.

The internship helped me understand how social welfare organizations contribute to the well-being of communities and support people in need.

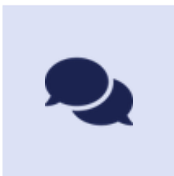

Social Welfare

Community-oriented support and welfare activities.

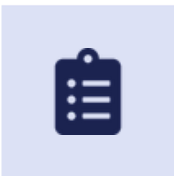

Community Awareness

Understanding the importance of awareness and social responsibility.

Teamwork & Communication

Working with others and communicating effectively during activities.

Documentation

Maintaining information and preparing internship-related records.

PROBLEM STATEMENT

Understanding Community Needs and Supporting Social

Social welfare organizations work with different community needs and require proper planning, communication and coordination to conduct activities effectively.

The internship focused on understanding how organized social welfare activities can support communities and create awareness about important social issues.

Basic Workflow

Example

A social welfare activity may require understanding the needs of the target community, coordinating with team members, communicating with participants and documenting the work carried out.

What the Internship Set Out to Achieve

Social Welfare

Understand the importance and role of social welfare organizations.

Community Engagement

Learn how organizations interact with and support communities.

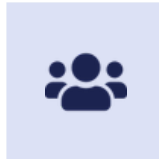

Awareness

Understand the importance of spreading awareness about social issues.

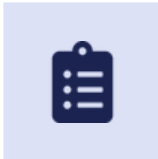

Communication

Improve communication and interaction skills.

Teamwork

Develop the ability to work effectively with team members.

Documentation

Learn how to organize and maintain information related to activities.

The Toolkit Behind the Internship

Microsoft Word

Preparing reports, notes and internship documentation.

Google Drive

Storing and organizing internship-related documents.

Google Sheets

Maintaining basic activity information and records.

Smartphone / Camera

Capturing permitted photographs for activity documentation.

Communication Tools

Coordinating tasks and sharing information with team members.

Presentation Tools

Preparing and presenting the final internship report.

Skills Used

Communication • Teamwork • Documentation • Coordination • Time Management

Understanding Social Welfare Activities

The internship followed a practical, activity-based learning approach.

1 WEEK

- Introduction to the foundation, its objectives, and social welfare activities.

2 WEEK

- Participation in community service and welfare-related activities.

3 week

- Interaction with beneficiaries and understanding their needs and challenges.

4 week

- Analysis of the activities performed, learning outcomes, and overall impact of the internship.

Skills & Capabilities Gained

- ✓ Better understanding of social welfare and community service.
- ✓ Improved communication and teamwork skills.
- ✓ Practical exposure to community-oriented activities.
- ✓ Improved documentation and organizational skills.
- ✓ Better understanding of social responsibility.
- ✓ Improved ability to work in a team environment.
- ✓ Greater awareness of community needs and challenges.
- ✓ Ability to connect academic learning with practical experience.
